So far my favorite by far has got to be Sengouka Basara, its so action packed, and it picks up real fast from the start and makes you want to watch more

Then Guin Saga is second because its also pretty bad ass, and a tiger man fucks stuff up.

3rd would have to be Phantom, basically full of brain washing and training the best assassins in Las Vegas, so its pretty ill lol.

4th from the ones i watched is 07-Ghost, in the beginning it seemed pretty yaoi-ish, but nothing actually gay happened, and by the end some kid fucked up like a few people and tried to kill the head army chief or something.

ExpiredNumber - April 11, 2009, 5:26 pm

Nyx- - April 11, 2009, 5:29 pm

OT: This was when requiem for the phantom came out, great anime, 10/10 gravedig.
