Use the code ORGPROMO on your purchase.
They emailed me that code.

how much do they cost with that code?

nofear1999 - September 9, 2010, 5:54 pm

Haven't checked yet. It's probably like 1-2\$ off.

NetFirms are like the shittest company I have ever had. I bought all my domains from there and have been refunded without asking.

So you coming to say, we must not buy domains there?

Brainsenburn - September 10, 2010, 12:57 am

Its about a buck off. Domain does down to like 7bucks.
