Thread: [\[Windows Keys\] Need Partner \[Windows Keys\]](#)

S-Moneyy - September 11, 2010, 4:14 pm

Hey, I'm looking for someone who could give me windows keys for me to sell on E-Bay, I will split the profit 50/50 I don't know the chances of my E-Bay becoming limited but the chances are low considering my method is VERY good!

If you're interested post here! Thanks <3
