Never ask for rep. Now remove that. ;)

Nice share. Keep it up

Wow, this looks like a nice collection. Just a shame that there are so many DL links.

Also, asking for rep is against the rules. Just another quick note, the thanks button doesn't actually do anything, it just makes a JavaScript pop-up.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
