Thread: [\[free\]\\$200 a day on autopilot system-newbie friendly++ \[l33t/ub3r\]](#)

Unixroot™ - September 17, 2010, 6:16 am

THIS WILL SHOW YOU HOW 2 HOURS A DAY CAN BRING IN \$200 A DAY AS SOON AS THIS MONTH! ALL WITH FREE INSTANT TRAFFIC..

EVEN IF YOUR HOPELESS, DESPERATE, AND HAVE NO AD BUDGET I WILL SHOW YOU HOW YOU CAN GET PAID THIS WEEK, ALL YOU NEED IS HALF A FREAKING BRAIN!

Now im going to be brutally honest with you guys and clearly state for who this method IS NOT:

- Experienced Internet Marketers(its really for newbies)
- People who already earn more then \$2000 a month
- Serial Refunders
- Lazy people(it needs some setup to make it autopilot)
- People who give up easily
- People who expect to make \$20.000 in their first day

If you recognize yourself as one of the people I mentioned in the list above, this method isn't for you!

SO WHAT IS THIS REPORT ALL ABOUT

There are 2 methods in this report that will show you have to make fast cash with clickbank and cpa offers all with free traffic.

Its a personal method of mine thats not new, but I tested the heck out of it and tweaked it and made it my own.

The method is setup so that we will be giving HUNGRY buyers what they want and we will get paid to do so!

All outsourcable and HIGHLY SCALABLE!!.

Even if you failed at clickbank and cpa this report is for you! because it also involves another method with which you can earn money TODAY! no more waiting!

If you implement it properly you can make a fast easy \$100 a day, even as a damn newbie!! I wish I had this method when I first got started

All of these methods work WITHOUT PAYING FOR TRAFFIC! You read it right, we wont be paying for traffic, meaning we wont be taking any losses!!

How does making \$50- \$200 A day sound all on autopilot maybe a month from now...crazy right! Its all possible with this method and I will show you how!

The methods in this report can EASILY BE SCALED WHEN OUTSOURCED(hence the autopilot

part!!!).

Which is what I do, BUT I didn't do that until I made my first \$2000 with it.

Failure is not even possible unless you are super lazy, super dumb and don't want to put in 2-4 hours of the initial research and setup up.

Now again This method does not involve the regular online stuff such as:

- Article writing
- SEO
- PPC
- PPV
- Forum Posting
- Craigslist Posting
- Blogging
- Website building
- Facebook
