Spoiler [\(Click to View\)](#)

So considering the fact that he's an Uber, with 88 +reps, no scam reports and many helpful posts, I was convinced that he was legit.

Therefore, I sent him \$51 (we had another conversion, where I told him that I would only be trading \$50 and not \$55) through my paypal to his provided account, straight away.

Spoiler [\(Click to View\)](#)

He didn't accept the payment for a day, so I PM'd him and emailed him asking him what's up. So after a day he accepted the payment and I was all happy that he would WU the money within a day or so as he agreed upon.

It had been a few days and I didn't hear from him so I PM'd him again with the following message on September 12:

Spoiler [\(Click to View\)](#)Hi, bro where are you? I've sent you the payment, please confirm.

I've added you to my MSN kindly add me back

myMSNid@hotmail.com

Thanks!

This is what I got as a reply:

Spoiler [\(Click to View\)](#)lol sorry dude i have been away wont be able to send the money back for like a day im at collage i will send the money as fast as i can tho
loy going on right now :/

I waited a couple of days and didn't get any updates from him, so I PM'd him again on September 16:

Spoiler [\(Click to View\)](#)Hey bro, a bit of update would be nice :D

This is what I got as a reply:

Spoiler [\(Click to View\)](#)yh sorry bro just been real;ly busy at collage i will try to do it today but i cant promise any thing :/

i will do asap tho

Well I didn't have a choice, so I waited a day and didn't get any updates from him, so I PM'd him again on September 17:

Spoiler ([Click to View](#)) Dude what's up? When will you send the money ... I really needed this done within a couple of days ... it's been more than that :P

I'm starting to get gooses now :/

Next day he replies with this on September 18:

Spoiler ([Click to View](#)) I have already sent it today...

I saw that message and I was a bit relieved, so I replied back asking him to send me the transaction id or a proof of the payment made by him through Western Union.

I have not heard from him ever since September 18, 2010. Even though he comes online everyday, probably checks my daily sent PM to him asking him to send me the proof of his payment, but I have yet to hear from him after so many days.

Here is some proof of him logging into his HF account everyday, but he doesn't respond to my messages.

Spoiler ([Click to View](#))

Spoiler ([Click to View](#))

Spoiler ([Click to View](#))

Spoiler ([Click to View](#))

I don't know what his reasons are, but he should have at least replied to me to provide me with proof of his transaction. He seems like a helpful guy, that's why I've labeled this thread as "Possibly a Scammer" instead of "Scammer" because I want to give him a chance to explain himself and rectify this issue. For the same reason, I have still not charged him back through paypal. I believe in the goodness of people especially in someone who has been a helpful member of this community, but if he doesn't respond to this thread (even though I told him I'd be making this scam report if he doesn't respond to my PM within 24 hours, I sent that message 48 hours ago, again me being lenient with him and not making this thread until today) I'd have no choice to label him as a "Scammer" and ask for a refund through paypal.

Just to show that I'm indeed giving him a chance to fix this, I am going to send him a PM again and link him to this thread.

Let's see what happens :(

P.S

I just can't get this out of my head that ... How can a Dog Lover do this to someone :(

NaDe - September 20, 2010, 3:03 pm

Good report. Please pm the link to this report and lets see his reply.

LoveToHax - September 20, 2010, 3:48 pm

I'm pretty sure he scammed me...

Sending scam report.

VipShaggy - September 20, 2010, 3:54 pm

That's actually the best scam report I have ever seen on HF. The way "unstopabl3" handled this situation staying calm and not threatening him in anyway. I find this remarkable. You have my support anytime unstopabl3 :)

Well done bro! Good luck with this situation :)

unstopabl3 - September 21, 2010, 10:37 am

Well I sent him a PM notifying him of this thread but still no reply from him.

I see that he came online today as well but again no PM reply from him and no reply in this thread. Here's a SS of his profile:

Spoiler ([Click to View](#))http://i53.[censored].com/2ewh46x.jpg[/img]

So it looks like I indeed got scammed by [VanquishUK](#)

You have been warned! ;(

Even then, I'll ask him nicely to refund my money. If he still doesn't co-operate then I will be escalating this issue through paypal myself.

I hope that he learns his lesson from this post and that the goodness in his heart might compel him to refund my money.

P.S

Thanks for the great replies guys, I hope we can keep this thread active until [VanquishUK](#) amends his wrong doing!

VipShaggy - September 22, 2010, 2:48 am

Asking for someone to give another member negative rep is called rep abuse! You will probably get rep fucked now :/

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Henickedmysandwich - September 22, 2010, 10:48 am

I have also had problems with VanquishUK, I am still in the process of trying to get my money back or my product.

If he dosent refund me I am also going to create a scam report.

Zeus - September 22, 2010, 10:50 am

u should send him to a admikn why u telling us

unstopabl3 - September 23, 2010, 1:12 am

@Vanquish

He just made a post in this thread, but I think he removed it the instant he realized that he has made a big mistake by accepting that he is a scammer.

So here is the SS of his post which he just removed:

Spoiler ([Click to View](#))[IMG]http://i54.[censored].com/dysq5v.jpg[/IMG]

Truly a douche!

What an asshole, he knows that I sent him the money as a "Gift" and that I can't dispute the payment through paypal.

Don't try to act smart, you ass-whipe, you have no dignity or shame at all.

I'm sure your parents would be ashamed of you if they ever find out about your income methods.

I'm also sure that they would have never imagined you to grow up to be a complete douche-bag.

P.S

If you check my profile, he has given me a negative rep as revenge, truly a douche-bag.

Anyways, I have reported him to the staff!

sens0r - September 23, 2010, 1:50 am

This is hilarious lol

I hope he get's rep fucked or better yet gets banned for a long time. Although I'm sure he will be back with a new username ... truly sad.

Even if he needed the money, it doesn't give him the right to steal / scam others.

Violence - September 23, 2010, 6:51 am

Try to include pictures of those PM's. It would be great.

unstopabl3 - September 23, 2010, 9:28 am

I had already attached a multi-quote of the PM's relating to our initial deal in my first post :/

I didn't add the images for the other PM's to reduce clutter. Plus I can't edit my first post now :/

In any case, I think I have provided enough evidence to prove he has scammed me. Moreover, I also showed you guys a SS of his post made in this thread accepting shamelessly that he has indeed scammed me and that he doesn't care if he gets banned.

He later removed that post by the way!

VanquishUK - September 23, 2010, 11:10 am

there you go omni i have posted :)

Shades - September 23, 2010, 1:31 pm

Great scam report, bro.

Members of the sort should be banned. Using their ub3r user status to gain trust, just to stab new users in the back. Finally, a new member catching a trusted user in the act, and filing a great scam report.

Best wishes, and good luck to you!

.Infinity. - September 23, 2010, 4:54 pm

Bump for this thread so everyone can see what a douche VanquishUK is :)

Thanks for the feedback guys!

I hope Omni bans him for good!

I'm still trying to get my money back, I'll update you guys :/

bully - September 24, 2010, 11:18 am

Wow best scam report I have seen for a long time.

Its sad he scammed you and he is a asshole but that proves trusted people can still be scammers, some people at HF are not scammers but wow I hope you get your money back.

And you have 2 much proof that he is a scammer :P gl dude

unstopabl3 - September 25, 2010, 11:30 am

Whether it is \$1 or \$1000 a scam is a scam, and a scammer will always be a scammer!
How about you grow some balls and actually do honest work to earn some money for a change?

I know that I am talking to a brick wall, so never-mind, you are not going to change because you have no morality!

Robin Hood™ - September 25, 2010, 3:30 pm

You scammed \$50? I mean, why risk your account over \$50?...I would never scam. But I am sure: If ANYONE HERE: Would want too scam..it wouldn't be for \$50.

Seriously,

\$50 is close to the cost of Ub3r+ L33T.

Some mod should close this immediately and show the last posts to Omni. HF isnt a skid site bitch

unstopabl3 - September 26, 2010, 10:37 pm

I am going to report his last posts, let's see if he gets banned or ignored :/

unstopabl3 - September 28, 2010, 11:52 pm

I will be hearing from paypal in about a week, although I don't think I will get my money back, but it's worth a try!

It seems that this thread was not a complete failure, he got his "Uber" status removed, and has quite a few negative reps:

<https://hackforums.net/reputation.php?uid=88174>

I'd still vote for him to get banned, but at least this is a good start.
