4/5 Quality of Information: He includes every single thing you need to know. Also this is written by somebody who lives in Sweden, and so do I, so we got much in common, but I don't think people in the US got the same system.

5/5 Ease of Use: It's very simple, long, and you can understand every bit of it.

4/5 Layout: Very plain, but he used a font that is nice on the eyes.

3/5 Grammar: I see you are a serbian living in Sweden, and English is not your mother tounge. You spelled a lot wrong, like EXE(should be 'a')MPEL and Succes(missing 's')

5/5 Originality: Well, I have never seen a eBook about this subject before, so good job, you're the first.

Notes / Comments: As I said before he is mainly talking about the Swedish school system, and not outside Sweden. I personally don't know how the school system in US is, but many of the tips and tricks here works worldwide! Definately going to help ME out.

5/5 Quality of Information: The e-Book explains you 'step-by-step' what are the ways that could give you successful results on the studies. I believe it talks about anything you can think that could help you!

5/5 Ease of Use: It will help you a lot basically because of the fact that is written by another student and you won't have any problems understanding it with a basic english. *(I'm Spanish and understood anything)

4/5 Layout: It's a simple layout but that font it's so easy to read, anyways the layout is improvable

with some colours.

3/5 Grammar: I've seen some semi-important grammar faults once or twice('Exempel' instead of 'Example', but this won't affect you to understand the e-Book overall.

5/5 Originality: That's an amazing high-quality e-Book, never seen something like that.
Congratulations for having such an idea.

Notes / Comments: You won't have any kind of troubles when putting these tips on action, since it's written by a student for an student! I can recommend this e-Book for anyone that wants to improve or have successful results in the school/universities. And without doubts this will totally help me.

You kidding?? just spent like 2-3 hours on this ebook..

Delysid - September 25, 2010, 1:10 pm

"Todorovic" is Serbian lastname :P

Are you Serb?

ada? - September 25, 2010, 1:16 pm

Haha yes it is, Im not serb but my dad!

kingsized - September 25, 2010, 1:27 pm

LOL at title 'How to succes in School'

Vibrant - September 25, 2010, 1:29 pm

Get an official review, and according to you title.. does it have a lot of spelling mistakes?

thx, really need some sales now

New price, only \$5!! cmon guys!

ada? - September 26, 2010, 11:28 am

Anybody interested in this e-Book? only \$5....

Hollow™ - September 26, 2010, 1:31 pm

Official Review: [3.5/5]

4/5 Quality of Information: Everything is given step by step, but only explains about system in his part, not in the US.

4.5/5 Ease of Use: This seems like it would help you a lot, and some information does contain how to stay concentrated in school.

4/5 Layout: Almost same layout as every ebook, but with a catchy font relaxing our eyes so its easy to read

2.5/5 Grammar: Many grammar errors, but thats maybe cause english isn't your main

5/5 Originality: First one to see information and title about this subject! Good going.

Notes: I would recommend this ebook to anyone out there who wants to do well in school, since its written by a student who passed with good grades for another student.

thansk!

now I only need some sales...

ada? - September 26, 2010, 5:26 pm

alot of copies left.. cmon!

Nohandlebar - September 26, 2010, 6:09 pm

I got it, it works for US residents as well. You guys need to learn some school basics and stop missing around all day!

MKET - September 26, 2010, 6:11 pm

This seems pretty nice and it looks like you put a lot of work into it.

I'll be purchasing this soon.

ada? - September 27, 2010, 12:03 am

Nice, looking forward to it!?

ada? - September 27, 2010, 7:48 am

Still lots of copies left .. come on no one who wants to improve his grades?

flip003 - September 27, 2010, 7:56 am

Find out the trick to cheating in test/exam :D

ada? - September 27, 2010, 7:58 am

haha comes in my updated version v2.0?

almost forgot, I did a test in school today. I'll come with results ASAP!

nattzor - September 27, 2010, 8:19 am

Hur tyckte du provet gick, bra? ;)

(How did you think the test went, well?)

ada? - September 27, 2010, 11:08 am

Galant, dock är jag inte nöjd. I min överblick tror jag provet inte kommer att hamna på ett MVG..
istället lär det bli ett VG+ dock har jag ett kommande prov 7 oktober samt ett till kommande strax där efter. Där kan jag lova dig att MVG kvalité kommer skrivas?
