Silent Java EXPLOIT No POP UP Message (The OLD One)

Will not work on the latest java, but I share this because you guys maybe want to know how you can create one, I have a Working one with the new JAVA, selling it for 200\$ (The source)

Download : [Click here to download](#)

David9292 - September 26, 2010, 6:15 am

is this one fully private or is it one that was in the wild ?

100 for source? sounds like scam.. they are worth more than 100

Robin Hood™ - September 26, 2010, 6:16 am

Ahh. Don't download it.

Most likely infected or something..

Oxygen - September 26, 2010, 6:17 am

200, sorry just edited, and yes it is a old one. but if you want you can buy the new one (I can sell it for 200\$) or you can configure the old one (its hard)

David9292 - September 26, 2010, 6:19 am

your rep is horrible man.. you got lots of -rep from scamming

200 now after i posted its worth more? u are a scammer

dont need any proof i can see you are trying to scam lol

oh well someone will lose 200\$

Oxygen - September 26, 2010, 6:20 am

wtf? just download the old one and modify, maybe u can get it bypass the new update. so stfu flaming my thread

i3urn - September 26, 2010, 6:22 am

Things that are wrong:

- No proof of source / silent drive by
- <https://hackforums.net/reputation.php?uid=427468> Loads of -Rep for scamming
- and you giving us download to a .Exe which i have tested in sandbox. it loads and everything it this is a trial so still no proof...

My verdict is that the person is a scammer...

toxid - September 26, 2010, 6:23 am

Negative (-3): scammed for 50\$ for source

Negative (-3): Scammer. Do not buy his 3 hour lasting crypter.

Negative (-3): Scammed for \$18. Buyers Beware his brand new crypter only an hour old at the time

of my purchase is 3/16 detected. See scam

Negative (-3): Thanks for rating my thread 1 star! \$150 says he renege rep me...

Neutral (0): Fake program using sharecash only to make money

Neutral (0): using sharecash to make money on fake programs that you uploaded thats 2 huge fails
BTW GO DIE

gratulation =)

Oxygen - September 26, 2010, 6:23 am

my verdict is stfu and check it before posting.

toxid - September 26, 2010, 6:27 am

Is it?

So, no one cares what your verdict is

Our verdict is that you are a retard scammer :)

~im out cya

Ok I checked This:

you most likely know nothing about java.

Negative (-3): Taking my ideas. And also, selling this tool?!

VirtualDUDE (2) - Last updated 08-14-2010, 03:27 PM

Neutral (0): using sharecash to make money on fake programs that you uploaded thats 2 huge fails
BTW GO DIE

? Ben Dover ? (-2) - Last updated 08-14-2010, 10:33 AM

Neutral (0): Fake program using sharecash only to make money

If you are willing to scam \$50 then you will obv scam \$200

officebox1620 - February 25, 2020, 5:11 am

Is this still available and still working perfect?
