ariton - September 26, 2010, 1:33 pm

This is an ebook for all shitcash beginners and it will tell you couple methods "HOW TO GAIN MORE DOWNLOADS". I've founded this ebook while i was browsing down adf.ly. And hope it will help you monetize well with shitcash. If you like the download link, please PM me and comment here and i will give it to you. There are not special requirements, just PM and comment, that's all. Note that the download link is not shitcash, it's mediafire.
