Thread: [Saikano-Discussion](#)

GrizzlyMatt - September 27, 2010, 3:09 am

Anyone here seen Saikano? <http://www.animefreak.tv/watch/saikano-english-dubbed-online-free> I personally believe that this is the most depressing anime I have ever seen in my life. It made my 6 foot 220 pound manly ass cry like a little girl and the ending made me wanna /wrist like some little emokid QQ. What do you guys think? This the most depressing or can something top it? One of my all time favorites ^^.

jthomasjba - September 27, 2010, 3:13 am

I have never seen this anime. Is it any good. What are the good side of it. The bad side. Does it have a good story. I am wondering what it is.

GrizzlyMatt - September 27, 2010, 3:15 am

Spoiler ([Click to View](#))

It is the story of a bunch of young kids and what they go through during wartime in Japan. The 2 main characters are Chise and Shuji. Chise confesses her love to Shuji but soon after gets taken by the government for experiments. She is turned into "The Ultimate Weapon" yet doesn't know how to control her powers or deal with the whole wartime situation. I think the characters are well developed there are some really fucked up things that happen throughout the story and I love it. The ending is honestly one of the most fucked up after School Days.

jthomasjba - September 27, 2010, 3:17 am

I may start watching this anime soon. This going on my going to plan to watch list of anime. I hope this is a good one that drag me in.

GrizzlyMatt - September 27, 2010, 3:19 am

well you know me well bro. I have watched this anime over 4 times, and you know how I hate to re watch anything xD.

Really?

I'm going to watching it now.

Nope, but I'll add it to my list. It's been a while since I've seen something very emotional :)

·Lawliet· - September 27, 2010, 2:43 pm

It isn't my favorite anime, but is still a very good anime =P, I admit I dropped a few tears on it xD.

Ever watched the OVA? It is awesome * _*.

There's also a live-action movie, but I didn't liked it that much :\

Spoiler [\(Click to View\)](#)..Since when I'm Fremen D: ...

Bug Senpai - September 27, 2010, 3:16 pm

I always wanted to see something like this.

In fact, I started coming up with a story just like this for my own series.

Fuck me, everything's been done before!

I've never really watched any OVA's of any season. They worth watching?

·Lawliet· - September 27, 2010, 9:14 pm

Kinda, is about a story that wasn't on the anime, but is as well as important in order to understand why is Chise there and all of that. That's why the OAV (My mistake, it wasn't an OVA xD) is called "Another Love Song".

YERANUK - September 28, 2010, 1:17 am

I was wondering why this title sounded Familiar.

It was an anime I was supposed to have watched , god dammit I lost so much anime that I download last year due to having to do a full restore.

Time to download the whole series

for anyone interested in watching the anime , and has a demonoiud account
here is a torrent for all the episodes + OVAs

<http://www.demonoid.com/files/details/2196133/19206846/>

<http://myanimelist.net/anime/529/Saikano>

edit: Funny how I downloaded the torrent a few seconds before the daily demonoid maintenance =)

You should tell me what you think :)

Sorun - September 29, 2010, 8:21 pm

I am not going to put spoilers so be warned

I don't like how it ends up with chise losing her physical form and residing in the other main characters body... worst of all is the world ended so he's alone >.>
wtf?

hadosen - September 29, 2010, 8:27 pm

I'm going to watch it now,sounds pretty good thanks for giving me something to do tonight<3
