Makes it feel worth while making these.

Momiji - September 30, 2010, 6:30 pm

Not only the tutorial, but I love the outcome as well. You are truly a great member.

IAI (Ace) - October 1, 2010, 1:22 pm

Can you upload your tutorial as a download my internet is being slow and taking a while to load it.

Onyx - October 1, 2010, 4:18 pm

Very nice indeed, good tutorial thanks.

Flashnox™ - October 1, 2010, 5:19 pm

the c and l together look like d. I realised this when I saw the word click.

MrHacker - October 17, 2010, 12:21 am

you deserve a thank! hehe xD
anime isnt really my style but this one really is good :)

Tasemu - November 4, 2010, 9:23 pm

Thanks for the thank haha. Anime is a great style to learn though. it exercises a lot of techniques most other styles dont.

CoNsEqUeNcE - November 4, 2010, 9:38 pm

Omg Tasemu, you inspired me to make sigs, and I am actually getting good. I am going to use this TuT to make people some sigs for free.

Md0G - November 5, 2010, 3:20 pm

I think I may get back into some more GFX.

Awesome TuT and great inspiration.

Thanks :3

Where can you get good HQ anime stocks for backgrounds?
