Check your inbox i sent you PM with your hosting detail.?

Da Judge ® - October 3, 2010, 7:39 am

essencehosting.net is completely crap unreliable has bad customer service crappy servers there are no reliable hosts on hackforum and 90% are run by kids i no this because ive had my forum on over 90 hosts in the last 6 months and not 1 of em can host my forum for more than a week

Mortalis Piratica - October 3, 2010, 7:46 am

no he gave me the reseller account i didn't changed the name server bro.

Da Judge ® - October 3, 2010, 7:49 am

yer but your resellers account is hosted on essencehosting.net servers and wont last more than a week

Mortalis Piratica - October 3, 2010, 7:50 am

why he said that it will be for ever.
