Thread: [Naruto or Bleach \[HOW & WHY\]](#)

satanswrath - May 1, 2009, 4:13 am

So guys, what anime/manga do you prefer reading/watching?

Naruto / Bleach?

Explain why you like it, and put your 3 Favorite characters from either manga

I'll start,

I prefer Naruto, I think the story is more mature in a way and it's drawn better. A very original Manga/Anime, I don't think anything can replace it.

My fav chars:

1. Madara (Tobi), - Leader of Akatsuki and Ex leader of the Uchiha clan, The strongest guy in the series so far.
2. Deidara, - Insane, Explosive, Arrogant sexy strong bitch. :P
3. Kabuto - Intelligent, strong, And cool in general ;D

FrayzZeUsher - May 1, 2009, 9:06 am

Bleach;

1. Mayuri - Omg bad-ass
2. Yachiru - Lolicon? XD
3. Kenpachi - He likes pain. How bad ass is that? ^_^

oOJumpOo - May 1, 2009, 9:09 am

ichigo= BADASS Ninja Guy ?

Sir Neko - May 1, 2009, 10:00 am

Naruto - verry nice action + I love martial arts and ninjas.

Fav Characters(3)

Naruto - Nice kiddysh and badass attitude, strong, brave, nice look.
Rock Lee - Master Of TaiJutsu, I love a nice beat and hand on hand combat, also I do muay thai, also his so funny and cool.

tend - May 1, 2009, 10:41 am

Naruto of course.....

Kakashi:Who dont love his style?Mysterious strong with a clever brain.....

Yamato:i love his water-earth-wood style jutsus.....

Sai:I like his style, he knows good ninjutsu....Also his techniques are ALL NINPOU!!! Pretty awesome.....

Psycho - May 1, 2009, 10:43 am

Bleach, definitely.

I like the action and story in Bleach more.

As for favorite characters:Kenpachi: best character in the anime.

Hollow Ichigo: He's not a pansy like Ichigo.

Kisuke

DaSkipper - May 1, 2009, 11:30 am

I don't get how people enjoy these shitty anime. They have too many fillers, generic characters, and the fucking dialogue is so unoriginal.

Sakura: SASUKE

Naruto: SAKURA

Sasuke (NOT BADASS): -silent-

Psycho - May 1, 2009, 12:14 pm

If you don't like the anime, why are you even posting here?

edit: corrected. ---v

DaSkipper - May 1, 2009, 1:02 pm

The plural of anime is not animes.

maybe you should try mangas instead?

Nyx- - May 1, 2009, 1:10 pm

Its true, Naruto and Bleach are 100% shit now, I mean fuck I used to watch bleach, before they had over 05205204320482 episodes full of nothing, were the story goes no where. I dont have the time to watch that bullshit. And nearly the only people who watch Bleach and Naruto and think there the best because they havent seen any other animes that arent on cartoon network.

I know the manga aren't just as bad but they're boring.

I usually skip the fillers. Bleach and Naruto have way too many.

Nyx - May 1, 2009, 3:22 pm

well i mean, i like being able to sit down with a average 26 episode season and get a awesome story. when it comes to 300+ episodes were some episodes nothing interesting happens, and to a point were the story is just getting dragged through the dirt it becomes boring.

SØMNIUM.EXE - May 1, 2009, 3:42 pm

I don't watch anime much, but Naruto is better...

I agree, and that's probably one of the main reasons I'm laying off of the 82389 episode anime.

(BTW, I'm just about to watch the 07 Ghost one I saw in one of your threads. :P)

Nyx - May 1, 2009, 5:19 pm

Cool cool, im about to finish Michiko E Hatchin

Yusei - May 1, 2009, 5:42 pm

I watched naruto all the way up to the fight between him and sasuke and that was fucking great but then the fillers kept coming and I was like fuck this pokemon had less fillers but if you really want ninja action just watch ninja scroll or my favorite fist of the noth star for the pure violence.

HoodedDrow - May 1, 2009, 7:00 pm

Bleach is better...

[post to short]

Nyx - May 1, 2009, 7:03 pm

æ?Ž&©æ - May 1, 2009, 10:09 pm

Bleach

The Bleach Manga is currently very exciting. I don't watch the anime, its too slow and has loads of fillers. <http://www.onemanga.com/Bleach/>

- 1) Ishida , I'd think shooting arrows is kinda cool, so is his release form altho the after-effects suck.
- 2) Matsumoto , Big boobs anyone?
- 3) kon , Because hes fucking hilarious

satanswrath - May 2, 2009, 12:51 am

Just for the fun of it, I'll add my bleach fav chars:

1. Aizen - God Mode Sexy Noob ;D I love when he pwns everyone with 1 finger
2. Hollow Ichigo - Yeah, he's cool
3. Urahara - Cool guy ;D

Yusei - May 2, 2009, 6:17 am

Usually the manga version of any anime is better especially berserk I love that manga.

ViciouS - May 2, 2009, 8:08 pm

i agree. i'm kind of on a break from any anime that will go past 50 episodes. i dont wanna watch fillers. manga generally keeps the storyline in tact and wont get sidetracked.

The Rated R Superstar - May 3, 2009, 1:09 am

Bleach

Kiske Urahara - Hes like a layed back surfie lol.

Yourici - She was the captain of the special ops part of the soul society and shes like mega hot.

Ichigo Kurosaki - Bad Ass.

Sir Neko - May 3, 2009, 10:11 am

I have to say that watching episodes is much more intresting then to read manga.

And if you dont like both of them, then dont post, its usless, and loooks like you want postcount.

Also its usless to say that ppl watch Naruto and Bleach just cuz they havent seen other good anime,

I love naruto most, I just love ninjas and martial arts and everything about it, I have seen loads of anime, still I cant compare nothing to Naruto, its just wat kinda things you like in anime, some ppl like smthing else more, also fillers only come in naruto like in 2 episodes in each season, and the story is dragged long but its still verry good and exiting.

Nyx - May 3, 2009, 12:56 pm

Actually the reason people watch Naruto and Bleach is because there on Cartoon Network, not because there good. And that means the people who like them havent actually seen any other good anime.

Sir Neko - May 3, 2009, 7:28 pm

I watched Cartoon Network 10 yrs and watch it now, but in my country, theres never been Naruto in it. My friend found Naruto on the internet and started watching it, he told me and I fell in love.

satanswrath - May 6, 2009, 2:39 pm

Normal naruto in anime is lame, everything's so slow.. No blood..

Ichigo: Main charater/and he can be a badass

Rukia: not sure why but out of all the female characters i like her the best

Kenpachi: 'nuff said ...
