Thread: [\[4 Video Tuts\]?How to become a professional in a couple of lessons?\[Mega Thead\]](#)

Valik ? - October 9, 2010, 9:14 am

Hello all everybody who is interested in Graphics.

Today I'm going to give you 4 paid lessons on how to become a professional in Photoshop.

I'm repeating these videos are not mine; they are from paid UK magazine that I recently got.

All example pictures will have a better quality in your outcome.

To complete all of the tutorials I'm going to give you the files that they require you to use in these tutorials.

This really doesnt help with what people do for sigs ):

**Valik ?** - October 9, 2010, 12:24 pm

I didnt say " Its gonna help you with sigs "

If sigs is everything you do in photoshop, im sad for you.

**MasterMind98** - October 9, 2010, 2:54 pm

These tutorials are very useful, so I'll have to look at them later.

Thanks you!

So the are still friendly people on here?

**Rephrased** - October 10, 2010, 8:34 pm

Just by looking at it looks like you took your time.Well thanks for the tutorial.

Maybe change the purple text, it hurt my eyes and is hard to read.

But the tut looks good as I do more than sigs ^^
