Thread: [RAT Setup/ Botnet Setup/ iStealer setup/Testing your server](#)

The French - October 10, 2010, 7:57 am

Hello everyone , my paypal is back so i decided to make a new service.

Why choose this service ? Because im an expert with all kinds of RAT , Stealers , Botnet etc.. And im trusted , if after the service your RAT , stealer or Botnet still doesn't work i'll refund you.

What I would need for this service ?

-Teamviewer (if you dont have it , you can download it here : <http://www.teamviewer.com>)

-A no-ip account (if you dont have one , create you an account here : <http://www.no-ip.com/>)

-If you will choose the Botnet Setup service , you will need a Host (Rather Offshore and Bulletproof)

Prices :

Simple RAT Setup - 3€ (Just includes the RAT providing of your choice and his Setup)

Full RAT Setup - 5€ (Includes : Making a No-ip account for you , his setup , 10 installs for test your RAT , And Portforwading for you)

Simple iStealer Setup - 3€ (Just includes the Program and his Setup)

Full iStealer Setup - 5€\$ (Inculdes the program , his setup and a Host)

Simple Botnet Setup - 4€\$ (Just includes the Http botnet of your choice and his Setup)

Full Botnet Setup - 7€ (Includes the Botnet of your choice , his setup and a Offshore hosting)

Payment informations :

Method of payment accepted :

-Paypal Only !

I vouch for him, I've got his service and everything did quite well, everything was done with ease. I

recommend all including the beginners to have this service.

Hey mate,

Are you only offering to test the servers that you create? I'm looking for someone to test my IRC bot server.

I'll obviously remove you once I know it's working...

Yeah, I think we could work something out.

:)

I'm about to go to bed, but tomorrow I'll PM you my MSN and we'll talk.

:)
