Ally Mac - *October 16, 2010, 11:14 am*

Wow. Awesome, thank you. I learned quite a lot from this tutorial. :)

~A

Onyx - *October 16, 2010, 11:26 am*

Very advanced tutorial indeed, thanks for making and posting this.

Buzz Lightyear - *October 16, 2010, 11:31 am*

I'm glad you like it. I made it for noobs like you ;)

T?chnology - *October 16, 2010, 11:53 am*

lol very nice & Xtralong tut ..i'll rate it 5/5..btw it'll look better if you align it to centre like this

Enjoy

Buzz Lightyear - *October 16, 2010, 12:01 pm*

Done. Thanks for that suggestion!

Braco Asshole - *October 16, 2010, 2:28 pm*

Good tutorial, like your others are all good.

Thank you a lot !

I'm not Real - *October 16, 2010, 3:22 pm*

Thanks Buzz, what filter do you use, I might purchase it.

Buzz Lightyear - *October 16, 2010, 3:25 pm*

Nik Color Efex Pro 3.0 is what I used.

Buzz Lightyear - *October 16, 2010, 8:05 pm*

BUMP! More people need to see this tutorial!

Flashnox™ - *October 16, 2010, 8:29 pm*

Nice tutorials :)

Great stock also.

Stylized - October 16, 2010, 8:31 pm

What is masking?

JK. Too advanced for me :/.

Sinful. - October 16, 2010, 8:59 pm

Great tutorial, Buzz Lightyear. :) I'll help me.

MrHacker - October 17, 2010, 12:19 am

yeah what exactly is masking?

btw awesome tutorial bro + rep if i could

Buzz Lightyear - October 17, 2010, 5:35 am

Haha, I'm glad you guys like it!

^That's a good place to learn about masks.

Banksy - October 17, 2010, 5:51 am

great turitorial his helped me alot !

Braco Asshole - October 17, 2010, 10:44 am

Dude, awesome tutorial. Quite helpful though.

(Mind posting the bubble brushes download :P)

Buzz Lightyear - October 17, 2010, 11:21 am

If you read the tutorial, you can see that it's not a download. It's just a normal hard brush, with those settings. (I found it in a tutorial here recently)

Throne - October 17, 2010, 12:21 pm

Really good tutorial. Thanks for posting this.
