Crack Kaspersky 2010(KIS KAV 2010 License 12/31/2035)

Link Edited ...by faqs..i m posting new working version....and a clean one...

Minnesota Nice - October 18, 2010, 9:30 am

Hm... Should I download this, or not... I'm not sure.

Bulletproof™ - October 18, 2010, 9:39 am

I'm Not Downloading

No Offence Or Nothing:P

Kynyo - October 18, 2010, 9:40 am

Works only for KIS and KAV?

What about PURE?

If it's a faulty scan then why not scan it yourself ?

Ayuka - October 18, 2010, 10:15 am

learn antivirus detection .. " hacktool " very dangerous oh yes!
