- [PaRaNo1D's "How-To" Tutorial Collection - PDF \(Noob friendly\)](#)
- [\[v2\] PaRaNo1D's "How-To" Tutorial Collection v2 - PDF \(Noob friendly\) \[v2\]](#)

- How To Use Cain & Abel To Get Local Passwords
- How To Close Ports
- How To Crack WEP In Linux

And now for the most important thing; The download links:

--DISCLAIMER--

NOTE: I did NOT write any of these tutorials myself. I simple collected them, and share them to you guys. If you would like to know who wrote them, check out these links:
