My favorite anime is Bleach, and this is my favorite episode.
, ?.

WinRawr jr - October 22, 2010, 7:28 pm

my favorite anime is Elfen Lied my favorite episode is the last episode 13
the reason this is my favorite episode is because of all the drama and at the end of the series i felt more closer to Lucy and Kota
and i very much like the ending because Spoiler ([Click to View](#))you get to decide your own ending, just like gantz the anime series

For series probably DBZ just cause I grew up with it, I know a lot of people like to hate on it for not being a true anime but I like it

Too many favorite episodes to count but my favorite saga is namek

Kaleidoscope - October 22, 2010, 10:15 pm

My favorite anime is Dragonball z episode - Vegeta's respect such an awesome episode.

DopeFantastic - October 22, 2010, 10:25 pm

I'm like completely in love with Fooly Cooly, will always be my #1 favorite.

Honestly I don't think there is anything better than FC.

But theres a bunch that can tie it. Break Blade is ridiculously epic. But favorite episode... not sure. ?

Bleach, and it's deffinatly the one with this entire battle:

That's when Bleach were still good times<3
The arrancar arc is taking too long IMO.

Don't know what episode was by heart tbh..
Something along the mid-fourties?

Something along the mid-fourties?i thought that arc was pretty cool i like the fights in it. i rewatched bleach just for that arc in particular i always hated the ending tho they could of took it in a whole

different direction
