4/5 Quality of Information: The quality of the information here is perfect for what you need to do. This eBook outlines all the necessary steps to complete it.

5/5 Ease of Use: This is the easiest way to make money on a day to day and even week to week basis.

3/5 Layout: The layout is alright, but you won't care because this ebook will make you money constantly.

3/5 Grammar: The grammar is fine and everything is perfectly readable. Excellent spelling grammar.

5/5 Originality: This is probably the most original eBook I have ever reviewed. This is simple, and yet so complex.

=====

Notes: I think that I could see myself doing this, you all should purchase this ebook. You will make money very easily. A+

5/5 Quality of Information: The quality of information in this e-Book is pretty good. Every step was explained well, and good details were provided on what you will be doing.

5/5 Ease of Use: The method the author uses is definitely one of the most simple methods you can possibly use. Just a few simple steps, and you're good to go!

3/5 Layout: Not the most creative layout I've seen. Just a white back round with a normal looking text size and font. Nothing really stood out to me, but it was easy to read and follow along.

4/5 Grammar: The grammar used was relatively good. There were a couple instances of using "you're" instead of "your". Other than that, the grammar was great.

4/5 Originality: A very original method on getting money. A very simple method for making money. Although, it can be considered as a common sense method.

=====

Notes: E-book is perfect for easy money making for people who reside in Australia.
