Thread: [\[service\]3D text with art work\[service\]](#)

masterftp - October 26, 2010, 3:08 am

Hi HF members,

I can do 3D text with art work for a small fee of .50\$
i am in real need of money.
once this service gets going like say i collect 4-5\$ i will make it free.

here are the samples of my work:

Code <http://maxupload.net/images/80385181880946870263.jpg>

any one want this service??

Havoc 0_o - October 26, 2010, 8:36 am

i would like one cept that i dont have \$.50 to pay atm. maybe u could have a demo one to get people interested like me =D

Text(4-5 chars only): Havoc

Text Color: Black

Thread line color: cyan

BG images: patterns like ur second image just without flowers, sharp designs are always awesome

BG color: white,blue,cyan, and black. those are some various colors i think would look ill

id love to just see what can come up with tbh, up 2 u if ud like to do it or not

Imitation 3D, learn to use repousse or c4d.

Your letters are quite choppy and honestly if someone's paying they don't want that.
