If you're l33t/ub3r, it's free!

Hello there, I'm offering a small service for you guys, which is available free for l33t/ub3r, however regular members will have to pay a small fee of \$1 per 1k views. Once you request, you'll be put in the queue (see below) and they'll be completed in ascending order. I will PM you as soon as it's done, so as you know that I'm finished and that I'm ready for you to vouch me here.

As many as possible.

Also if you will do ALL my videos including new ones I upload, I will pay via PayPal as much needed.

I need as many hits as you can give, so it all depends on how many you have.
