hipio - October 29, 2010, 4:26 am

Dude you are really hard working.

You upload program after program :P

BUT nice work.

Btw, its shit that the Shitcash bypasser is not working anymore.

glad you like my bomber :)

hipio - October 29, 2010, 4:59 am

Yeah i like your work.
I wanted to start with scripting program's to.
But I don't know how :P

IPhiLG - October 29, 2010, 5:18 am

such a shame eh? maybe you should lookup some tutorials

winnie76 - October 29, 2010, 6:36 am

Very good and useful tool.

You did a great job in creating a program that is working AND easy to use.

Tyvm hope you use it with a good usage.

hipio - October 30, 2010, 2:16 am

I still love it.

Bit you could increase the GUI :P
