Thread: [Intel's YouTube Subscribing/Liking/Commenting service!](#)

?ntel - October 30, 2010, 12:38 am

Hey guys, I'll subscribe to your channels, like your videos, and even comment!
Just paste me the URL to them, and tell me what do to using the form below.

I will be doing it with my account "AuthProvider"

I'll do one channel/ and up to 3 videos in that channel per person.

Form:

Subscribe? -Yes/No

Like/Dislike? -L/D Paste the video url, too.

Comment? -Yes/No This will be on the same video, and paste a comment, otherwise I'll write something like "Nice" or "Thanks!"

All done!

Since this only takes a few seconds I'm allowing people to do up to 3 videos on the one channel provided they give me the links.
