Thread: [\[WIN\] Brazzers Account :\)](#)

ManUnited - November 3, 2010, 4:15 pm

hello members,

if you would like to win a brazzers account post below why you think you deserve it and i will pick one at random :)

GOODLUCK PEOPLE :)

BlueMelon - November 3, 2010, 4:17 pm

I think I should win the account, because I am I contributing member and haven't fapped in ages.

smooth_ - November 3, 2010, 4:32 pm

Because I don't have one. Also because you are awesome and kind? You must contribute alot and be a very respectable person to give away a free brazzer account. I also contribute to the multiple section here at hackforums, and need my time to relax, but to relax and watch to HD porn would be the best, and you can make that happen. I once had a brazzer account but alas I gave it to a friend. I know the joy to give something that someone really wants. I'm also a very kind member and nice to all HQ members of hackforums, even if our opinions differ. I like bacon, you to must like cake? For this I not only want, but think I need the brazzer account, to help spread the joy that I have after I have taken in the best porn has to offer from brazzers. Thank you for reading this, you DeadlyGod truly are a good member a hackforums.
