Lol nice, How long did that take you?

-DeLuXe- - November 3, 2010, 5:53 pm

This probably took me about 30 mins to 45 mins.

Feel Free to make it your desktop everybody!

Rate, Comment and talk about it please!

45 minutes? More like 5 minute quality if you ask me. Just saying. It's obvious you followed the tutorial. Even doing those steps, it shouldn't take that long.

-DeLuXe- - November 3, 2010, 6:00 pm

Well i kept on messing up on the text and had to re-do it all over and i had to eat dinner in between and other stuff so basicly i am counting all the time inbetween, i saw an idea like that but i did not follow a actuall tutorial.

Also i was just wondering if i could join the graphic masters please :D because i love to make graphics and sigs

TuViciouz - November 3, 2010, 6:12 pm

give credits to the tutorial.

Xerotic - November 3, 2010, 6:13 pm

So this is form a tutorial? So unoriginal? :(

-DeLuXe- - November 3, 2010, 6:22 pm

This is not from the tutorial, it had a different concept, i changed it and made it my own, i did not copy it lol

D??i????™ - November 3, 2010, 6:23 pm

I think it looks pretty nice...

Ultimatum! - November 3, 2010, 6:26 pm

Why on earth did you use kremlin boshlevik? Its such an ugly font, anyway just a nice typography nothing HOT HOT HOT *HOT*..again

-DeLuXe- - November 3, 2010, 6:29 pm

Ahaha! thanks so much guys i really appreciate your thoughts.

Please keep giving some thoughts and suggestions.

thanks.
