Thread: [**Cracking AIM Accounts**](#)

?K47 - November 7, 2010, 6:45 am

Offering to run aim accounts through my cracker. To make it simple just pm me or post the aim you'd like me to attempt with either option 1, 2, or 3.

1. Run my 16k common pass list, if I hit it I only charge 5\$
2. Run my 16k list 1st, if I hit it only 5\$, if not go ahead and run my 51k pass list and if I hit it I will charge 10\$
3. Run my 16k list 1st, if I hit it only 5\$, if not go ahead and run my 51k pass list and if I hit it I will charge 10\$, if still no hit go ahead and run my lil over a 100k pass list, if i hit it I will charge a fee of 20\$ as this will take up multiple hours of my crackers time

If I don't hit your name I don't charge anything. Basically I am just charging by how long you want me to spend on attempting to crack the account, time is money ya dig? If you'd like me to really grind hard on cracking the account and using multiple specific password lists such as male names, female names, animals, numeric passwords, countries/cities, movies, actors, ect ect, I can spend all day running these multiple lists if the price is right and if you want the name super bad.

Anyways as stated feel free to post your requests or pm me with them. (not taking any "OG" account requests as its highly unlikely I will crack them, most og aims are owned by other crackers/exploiters/collectors)

I have a working yahoo cracker set up....but yahoo cracking is all backwards so it's really impossible to zone in on 1 account and crack it

Not attempting OG accounts cuz 90% of em have already been cracked/exploited already. I can attempt semi OG's tho such as R3vert, Revertt, Reverts, ect ect

Thanks for your following through on our deal homie...I sent you a pm bout those other accounts let me know if you need anything else bro.

Service is still open for aim/aol accounts. My brother from another mother is boss at pulling aol accounts through his method as well, has about a 75% success rate so if anyone needs an aol account obtained asap, I can send you his way. Happy holidayz
