Perhaps antivirus publishes it as a virus but it's not a virus

The software runs

elvinguitar - November 10, 2010, 4:48 am

no one will download this.. hahahaha... :D

STOP MESSING AROUND HERE BOY.. :)

The link you provided is removed from staff.

If you had downloaded then visit the white section to disinfect your machine.

This thread needs to be closed.

adampelletgun - December 28, 2010, 11:52 am

Lol why isnt this closed if it is infected.
