Thread: [\[Upgraded\] Frostbyte batch coder Beta Edition\[NEW\] Free Download](#)

Toph Beifong - November 11, 2010, 8:52 am

hey everyone i posted my coder a few days ago but the download like messed up so instead of just reposting the same thing i thought i would add some additions to the coder.

This is the Beta Release And there may be problems, I am already aware of the Open file Problem Sorting it.

[img]http://img684.imageshack.us/img684/1632/37294113.jpg[/img]

i have added some better buttons so you are able to delete a line at a time without having to do it all again

I have also added the Batch console (i know its not a real CMD console but it was best i could do) So if you have a small monitor it saves you space on screen.

[img]http://img232.imageshack.us/img232/6492/uiwrel.jpg[/img]

the batch coder contains 31 batch codes (with more on the way) and has easy user input

virus scan

Spoiler [\(Click to View\)](#) [img]http://img808.imageshack.us/img808/5379/scannv.jpg[/img]

Download link

<http://www.mediafire.com/?45t9204bg34k9nv>

Requires .NET Framework 4 to run

Thanks for this. Looks clean

Toph Beifong - November 11, 2010, 12:07 pm

no prob if you find that some of the codes dont work send me a pm and i will update it with a different one

Toph Beifong - November 12, 2010, 5:07 am

if you want my coder get this one its the best version

Toph Beifong - November 18, 2010, 12:57 pm

omg what 24 downloads like 1 decent comment
