Thread: [\[C# Release\]GUllmerge - A nicer approach to ilmerge](#)

Divine Will - November 11, 2010, 6:51 pm

Yes, I realize Gilma is a program that does the same thing.

Gilma never worked for me.. so I wrote my own frontend to ILMerge.

This is a project I completed more for myself than for anyone else, because I found myself constantly merging files with my primary assembly to keep my programs nice n neat :D

Features:

- Merge dll's with your primary assembly
- Simple, Clean GUI
- Multithreaded
- Logbox so you know whats going on
- Better looking than Gilma (IMO haha)

Heres a screenshot:

Looks like a nice program, I like the GUI's simplicity. It looks good but not over-loaded with useless stuff.

Divine Will - November 11, 2010, 7:04 pm

Thanks man. I appreciate it :)

If you've ever used Gilma I guess youll know the GUI isnt too pretty :[

And for some reason Gilma only worked for me if I killed the process then waited on ILMerge to finish.

AuXFire - November 11, 2010, 8:50 pm

Nice stuff man. Ima use for all merging. <3

Divine Will - November 12, 2010, 1:36 am

Thanks :)

I appreciate the feedback!

intrigued1980 - November 12, 2010, 2:23 am

Very nice, makes life easier, good stuff.

My Life - November 12, 2010, 5:13 am

Looks nice. Simplicity is the best .

Thanks for the share :)

My Life - November 12, 2010, 5:14 am

Looks nice. Simplicity is the best .

Thanks for the share :)

Ziadd3x - November 12, 2010, 6:06 am

good job, thanks for sharing ?

xCocaine - November 12, 2010, 6:25 am

Nice work mate :)

Thanks for sharing :D

Divine Will - November 12, 2010, 8:43 am

xCocaine you wasted your 1000th post on my thread?

EDit: Lol nvm D:

I'm gonna use my 1000th post on this thread aswell.

Divine Will - November 12, 2010, 11:07 am

Haha awesome.

Thats a lot of posts. Hopefully I can get there one day.

Actually my goal was to have 1/10th of my post count as my rep but I dont know if im going to make it lol

Doctor07 - April 18, 2011, 12:38 pm

Dude, i think your link is broken? :(

Divine Will - April 18, 2011, 1:00 pm

Sorry Ill reup it. I forgot i deleted my downloads folder on accident lol.

Download from <http://www.chasesportal.com/files.php>

Its called GUILmerge.zip
