Thread: [\[Source\]Shell Checker \[Source\]](#)

?wain - November 12, 2010, 12:13 am

hey Guys i thought i would release my shell booter source,
Its very sloppy and slapped together but you can get the idea of what to do from this source. So
Enjoy.

:)

Its verry nice,thanks for share

Conception - January 14, 2011, 10:57 pm

Thanks for the share, man. ? Convenient timing, too. I've been looking for one of these...

Saustin - January 20, 2011, 3:57 pm

Thanks for the share. Works like a charm, not connecting to any foreign servers so your shells are safe ;).

The links not working for me Why isn't it working?

sanderele1 - February 13, 2013, 10:30 am

I like your "creative" variable names .D , Keep the up the good work.

Sorry for keeping gravedigging, but nice program !

Zerk - February 13, 2013, 11:11 am

Lots of these shell checker sources around, why not just keep adding onto the list am I right? Haha, thank you anyway.
