Thread: [\[SOLVED\]Private Message Problem!\[SOLVED\]](#)

Alpha.Stallion997 - November 17, 2010, 8:59 pm

Please look at this private message problem. Even if I deleted all my private message, it always shows up 100% usage of PM.

Check your Trash can and delete all of them

Alpha.Stallion997 - November 17, 2010, 9:17 pm

Thank you. Actually I did it before I saw your post. I just happened to check my inbox with message from Hackforums about this thing.

anyways thanks for helping. Please close this thread.

Next time go to 'Empty Folders' and it will empty them all, even trash.
