Thread: [Youtube Subscriber v3 ~ Get Hundreds Of Subscribers](#)

Mortalis Piratica - November 18, 2010, 10:10 pm

Decided to post it here to get it more popular and added an auth for it.

A program that subscribes to a Youtube user you want to. Every account must have the same password.

This is a beta version, so please report all errors

Download Link For V3.0: [Download](#)

Download Link For V3.3: [Download](#)

Yes i didnt made it but i think it runs without validation.

DarKiss - November 18, 2010, 10:47 pm

i think it's useless, because you it will write same comment from every user.
