Thread: [Trying to find the youtube award thread.](#)

Un-Named - November 21, 2010, 9:47 am

I just made my video for the youtube reward but I can't find the thread,

I used HF search button and I searched
'Youtube Reward'

Nothing came up in regards to receiving the actual reward.

This is sorta my last resort.

It is no longer available to members.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Ok thank you, I was sure that it was something among the lines of that but when I look in the awards rules it says

Code How do I get an award?

Awards are given out by admins only. They are given out at their sole discretion. You cannot get an award by asking for one via PM. There may be a thread in Site News and Feedback section for nominating yourself for one, but do not PM staff about it. Awards are only occasionally given out.

But I'll just pm omni.
