CacaoBux - November 22, 2010, 8:29 am

If you want to win a steam account, please make sure that your post will be number 50 and you'll get it. =)

Thank you.

K??TIK?YP1™ - November 22, 2010, 8:30 am

Well Can you specify Rules Because many guys delete their posts

Nitrox - November 22, 2010, 8:31 am

Are we allowed to post multiple times?

CacaoBux - November 22, 2010, 8:38 am

Your post must be number 50 to get a steam account. That's the only rule.

Wind Crest - November 22, 2010, 8:45 am

And what games are there on the account?

YettaSkill - November 22, 2010, 11:17 am

I now declare this post to be post #50 you have never defined post #50, therefore i will claim this post to be the post that is called #50, you never defined that post #50 might actually be the 50th post, therefore i win the contest.
