I would like to see it up. I mean Omni did the Halloween one. Thanksgiving is only in USA also.

That looks very nice Tate. When is thanksgiving though? (I'm British, so I don't when know American holidays are.)

I think this is a little to late because Thanks Giving Is in One day :/ You should make a Christmas one :)

Yes Tate, I think omni should put it up!

St?alth - November 24, 2010, 2:26 pm

I personally think Christmas would be a little more relevant, but nice banner nonetheless. <3

Probably after Thanksgiving it'll go up.

Unfair Advantage - November 24, 2010, 2:57 pm

Tbh thanksgiving isn't really an international thing. As other users said, christmas would be more appropriate.

Neither was Halloween, but we did it anyway.

But how long to update for everyone? The Halloween one took a few days.

@OP, by time it updates, thanksgiving will be over.
A Christmas one would be good though.

That shit looks awesome, I think, if omni wants, he would love to put it up.
