?Description?

Till now, I released two e-books on HackForums but those two were nothing compared to this one. In the past 12 months, I think I progressed rapidly in terms of money making and maturity as well but I must thank my online friends for that.

This e-book is 91 pages long and consists of many methods divided into many parts. Best thing is that I explained everything from level 0-10. If you are new to money making, then this e-book is best for you. Even if you are a pro, this e-book suits you the best. If you are super pro, then also you can learn something from this for sure.

I attached resources that are necessary for you. In short, this guide is enough worthy to be called a Money Making Monster.

?Some Facts About This?? This e-book is a very detailed guide and concludes multiple ways of earning money online+offline.[Partial Work].

? This e-book is from Level '0' to Level '10'. This is for everyone (Beginners,Intermediate,Expert[Partially]).

? Methods are explained in such a manner that even a beginner can make out and for useless thing, I suggested Google search.

? Many Methods if intended nicely then you can earn much better than a normal full time working person.

? Some methods need investment and some don't but cheapest alternative is given to you.

? This E-book not involves Carding,Financial Fraud etc.

? Nothing like serious Black Hat, according to me. I will call this Gray Hat.

? Support team is appointed to help you anytime. Contact "support@moneymakingmonster.com".

? Bonus Products Worth More than 3000\$ is available free with this e-book ?

? Scripts and all and some premium mailing list is also given away with this e-book.

? All bonus products cover Master Resale Rights?

?Buy It Now?

As obvious, no one likes to PM to buy something. So, I am using this pay now service from paypal so you don't need to wait a long time.

To prevent fraud payments, I will email you the e-book to the email id you used to pay me.

All payments are manually inspected by me before receive the E-book. So, scammers keep away.

Before buying this, agree with my Terms Of Service that This payment you make is not liable for any kind of refund and all. So, don't irritate me up.

You Must Pm Me After Purchase

Short Info First

No. Of pages=91 [Written using font size 12]

No. Of methods=Many methods distributed in sub section.

For whom this Ebook is?

Anyone who is interested in money making. If you earn 500\$ a month and you think you make enough, Think Again! What if you can make that much everyday, if you put your time in it!

How Much I can Earn?

This ebook is not like simple CPA guide that your income is limited. This Ebook contains methods and secrets, unknown to 99 percent users on HF. Potential to easily bag 500\$+ a day if you work upon methods.

I am a beginner, is this for me also?

My Ebook tag is from level 0-10. If you are noob then also you will love this. Everything explained from level 0 and then levels raise till level 10.

What if i don't make money, can i get a refund?

If you quote this statement after purchase then i will call you 8th wonder in the world. This Ebook not contains single BS method. This Ebook is for serious money making. Tested Secrets.

Why is price less on HF?

This Ebook costs 27\$ on DP and website though, website is not made nicely till now. Hf is special for me and other thing is maximum people on hf is just for fun. Serious Money Making Personals are very less on HF. That is why weird Ebooks Sell here, you know what i am talking about. ?

[img]http://ploader.net/files/8a118a436a6f933e6ac92f68b615e175.png[/img]

The method and techniques explained in this e-Book do work, and many are known for working well. Some of the methods in this ebook are very well explained while some are briefly discussed.

[img]http://ploader.net/files/716ca4e758bb5d4a6a9a46ea5374d6a5.png[/img]

[img]http://ploader.net/files/8a118a436a6f933e6ac92f68b615e175.png[/img]

The grammar is decent for the size of the ebook. Since this ebook is quite large there is bound to be a few mistakes. The ebooks can be read without any real issues. There are only minor sentence fragments you may find.

The steps that require these methods to be executed correctly range depending on which method you choose. Most methods are very simple and easy to perform.

[img]http://ploader.net/files/c7906c0649dacd8c42aec119d95d9af5.png[/img]

[img]http://ploader.net/files/8a118a436a6f933e6ac92f68b615e175.png[/img]

The layout was quite good. There is a table of contents so you know where you can find said method.

[img]http://ploader.net/files/8a118a436a6f933e6ac92f68b615e175.png[/img]

I gave this 4 out of 5 stars because even though some of the methods are public there are original twists added on to them. Not only that but there are a few methods I have yet to hear of included.

Notes

The ebook supply a lot of information. Some of it is public information but a lot of it has personal twists that can pull in more money. There are a few original ideas I saw in this which are sure to generate money as well. This ebook is aimed for anyone who is a starting off to some one who is moderate at making money online. All in all its a good ebook for the price and I wish the seller good luck on sales.

[Official Review]

=====

[img]http://upit.cc/images/e3e39d71.png[/img]

Quality of Information: The author has added MANY methods to get you to your way of money making. He puts all his methods with a crystal-clear explanation so that the user has no problem understanding what to do.

[img]http://upit.cc/images/a17c1308.png[/img]

Ease of Use: These methods are VERY easy to use if you just follow what he says. Anything you need is supplied to you in the e-book.

[img]http://upit.cc/images/25a94b26.png[/img]

Layout: The font is pretty good, and the way it's set up is also pretty good. Better than most e-books I've seen.

[img]http://upit.cc/images/41dbdbf6.png[/img]

Grammar: A few minor grammar errors, however, nothing that will stop you from understanding the book.

[img]http://upit.cc/images/f2fa3f83.png[/img]

Originality: I've never seen any methods like these. E-books are almost always based on CPALead blackhat methods, or facebook methods, but no, not this one. This supplies MANY different methods to keep you satisfied.

=====

Notes: I'm telling you now, buy this book and you wouldn't be more satisfied. These steps are so easy to follow, The reader should not have any problem making money, as the e-book even has a level rating, 0-10, lowest being for beginners.

Hi -[O]ptimus Prime-

I purchased IDZIRE MONEY MAKING EBOOK v2.00 + v3.00 UPDATE PROMISE
30 minutes ago and pmed you the transaction id! Alot of people say they have trouble pming me so
please could you send the ebook to my paypal email.

Edit: Thanks for the refund iyl look into purchasing one of your more recent ebooks

[[R9]] - December 11, 2010, 12:52 pm

This is my recent Ebook.

Lot better reviews than last one+Bonus
Packages.

Your PM is disabled.

Check settings in your user cp.

[[R9]] - December 12, 2010, 2:47 am

Now the thread can easily catch attention.

Cheers

Joey Tribbiani - December 12, 2010, 3:37 am

Congrats on getting the thread stucked ! Now you will get a lot of sales very quick!

Anyways, seeing your thread, I can figure that it is definitely different from all those other BS e-books which just say methods and all that crap and are completely useless...

BTW, i wish i had the money to buy it :(:(i just recently invested 9\$ in onbux (is onbux also included in this by any chance)

[[R9]] - December 12, 2010, 5:09 am

Just check my website "PTC=BS" in my dictionary, UNLESS you own that PTC website.
Yup mine is a lot better that Cough *Cough*.

[[R9]] - December 12, 2010, 9:11 am

Thread updated. New website layout almost ready. HF only discount extended till X-Mas :).

ploxx - December 12, 2010, 9:41 am

Hi,

I'm interesting in buying your ebook, but at this moment i can't.

When does the selling end?

Do you need any unique skills or something else to understand and make money this way?

grtz

[[R9]] - December 13, 2010, 2:22 am

Sale is on for now.

Check review. Guide is level 0-10 so
beginner can start from level 0. Nothing
black hat intended.

Hmm.

I am very interested, but my paypal has got like £7 in it=/

When I get enough money I will perhaps buy. But I have a few questions.

- 1) Are the methods like make a tiny bit on each one?
- 2) Are there some which are fairly easy to do, but with a fairly high payout?
- 3) Will any investments be needed for this guide?

Thanks in advance.

Not at all, methods are distributed from LEVEL 0-10.

Quote:2) Are there some which are fairly easy to do, but with a fairly high payout?

My guide is serious guide, no BS of tools and simple crap. When you jump to serious internet

marketing biggest investment is TIME. Then money and then skill.

Quote:

3) Will any investments be needed for this guide?

Many methods are given some need investment and some don't. Options are available for cheap alternatives. Guide contains main methods divided into sub sections. So alternative and options are always there for you.

Thanks in advance.

I have some new sub methods for my buyers.

since you have never been on the support MSN, I asked for you to PM me it, please.

Newman513 - February 22, 2011, 12:36 am

I still need the password, and the 7 ebook sub methods...

PM'd

corsonify - February 22, 2011, 3:55 pm

Bought it and now currently waiting for the ebook pass.

Hi just paid Transaction ID: 0EB275702L6541142 carnt pm you I dont have 5 posts yet.

[[R9]] - February 23, 2011, 8:44 am

Sent to 5 guys from HF, kindly check your mails.

Sneakyy that MSN is controlled by a friend of mine, he assists everyone not me.

But i will tell him to make a PDF also for new sub method specially for hf members.

Newman513 - February 23, 2011, 10:40 am

Got it, shame that we have to put the password in each time we want to see it, but it looks legit so far.

Thanks.

Sneakyy - February 23, 2011, 1:35 pm

Okay thanks, sorry about the misunderstanding I thought it was you and you were kind of ignoring me.

[[R9]] - February 23, 2011, 10:00 pm

Why will i ignore you sneakyy :s

Anyway i am glad you understood everything.

I notified my friend to make pdf.

corsonify - February 23, 2011, 10:18 pm

This book definitely has a few extra methods that don't seem to be well known. I'd have to say the book's greatest strength is the abundant resources that it provides. These resources in the book and extras definitely make the methods easily doable.

I'll try them out and post payment proof here when I do get paid. A few quick bucks can easily be made in your first day. Vouch.

[[R9]] - February 24, 2011, 1:04 am

Well thank you very much for your feedback.

Much appreciated.

Still selling, passwords released.

Busy these days so sorry for delay.

m3nc0re - February 26, 2011, 10:55 am

I bought that ebook yesterday, all i need to say is wow.

I have read only half of it but i really love it. Everything is well explained and looks pretty professional. Big vouch! ?

Yusoow - February 26, 2011, 5:24 pm

Hey, i'm new to making money on internet things.

And i'm very interested, because i started using PPC.

But that didn't pay much.

So.. this ebook of yours is like a investment for me right?

I buy it and i could start making some good money.

Well i will buy this ebook next month when i get my money.

Neromler - February 28, 2011, 10:42 am

Thanks for valuable vouch sync, though you got ma other thread wrong.

Insidious - April 19, 2011, 8:47 pm

I vouch for this guy. I've only read the first 2 sections (from 1st page all the way up to page 24) and I can tell that there was a TON of time and effort put into this eBook. I can also tell that the rest of the methods will be extremely high quality as I have so far never heard or known of the methods talked about in this book. He makes it very clear to understand (though his English seems to be off. Translator maybe?) and puts pictures in places where it gets a little complicated. I have so far very much liked this eBook and it is definitely worth the money. I will be posting pictures of the money I've made off this eBook in the near future.

Great eBook Sir Optimus Prime! Great support as well! Thanks for clearing up the password problem :)

(Apr 23, 2011 08:51 PM)RazaShaw Wrote: [\[CITE\]](#) If you are making so much money, why are you begging for people to buy your ebook?

First up, what made you think i am begging or something similar?

What i think is the way i talk seems begging to you, that's marketing rule son.It doesn't matter you are selling a needle or a jet plane way you talk must be polite always.

Anyway what do you suggest me to do "Hey you mother fucker reading my thread i don't give a darn if you are interested in buying my stuff or not just remember i don't care if you do."

That's what you want me to post HUH?

Sithis - May 18, 2011, 4:11 am

I don't think if he is begging. It's on you if you want to buy or not.
