Just download the textfile and you will be put in the contest. Take a screenshot of you in the textfile. Then pm me the screenshot. I'm going to pick a random number. And whoever's number I pick, that's who gets it.

your making much more money than the account is worth. I'd say the max you'd get for it is 3\$, while you get .40 per survey.

xxprevail - *November 28, 2010, 9:15 am*

So its still free... I would rather get something free than \$3.

Hodgy Beats - *November 28, 2010, 1:33 pm*
