Here is a link to the thread you have to pay for it:

<http://forums.digitalpoint.com/showthread.php?t=1983834>

Get it right now for FREE!?

<http://www.filesonic.com/file/37025127/CPAv2.rar>

PASSWORD: scriptthief.com

**steelmob** - November 29, 2010, 5:38 pm

thanks going to try it out!

**Fatality** - November 29, 2010, 5:42 pm

Tell me what you think! Hope you like it.

**steelmob** - November 29, 2010, 5:42 pm

password is needed, could you tell me it?

**Fatality** - November 29, 2010, 5:44 pm

pass: scriptthief.com

sorry about that.

**steelmob** - November 29, 2010, 5:48 pm

it didn't work for some reason :/

**Fatality** - November 29, 2010, 5:53 pm

It worked fine for me. Copy and paste this exactly: scriptthief.com

**steelmob** - November 29, 2010, 6:13 pm

didn't for me... oh well thanks anyways deleted it though :/

**MagicMountainTop** - November 29, 2010, 6:25 pm

Thanks for this it looks very promising but a video is missing any chance of getting that op?? Thanks anyway :)

**Fatality** - November 29, 2010, 7:06 pm

Not sure about getting the video. Which video is it?

**mark5656** - November 29, 2010, 9:43 pm

this is very confusing...

**Drainingpower** - November 29, 2010, 10:12 pm

pass doesn't work, it just doesn't work

**Langleyyy** - November 29, 2010, 10:13 pm

Looks legit, nice work mate!

**Fatality** - *November 30, 2010, 6:59 pm*

Is this password working for anyone except me? Just copy and paste this when you try to open something:

PASSWORD:

scriptthief.com
