Thread: [So why did the International section get deleted anyway?](#)

Zeon - December 2, 2010, 1:53 pm

Why'd it get removed in the first place?

Ally Mac - December 2, 2010, 1:53 pm

Staff might not be able to read all other languages, therefore rules could easily be broken.

~A>People still troll and break the rules in English.

Your answer does not satisfy me.

Please allow a staff member to reply.

Ally Mac is partially correct. Rules were often broken due to the fact Staff could read the posts, as well the sections were often very inactive.

Ally Macs answer.

Plus people would just flame each other. "My country is better than yours".

Guess we'll wait for staff.
