I have both of them.

Both of them are working.

Price: \$8 for one. \$12 for both.

PM me if interested.

\$20 is a bit expensive don't you think. I am offering 1 key for free if anyone needs it.

Strik9 - December 4, 2010, 7:31 pm

Yeah, most people will charge around \$4-5.

Anyways, good luck selling.
