Thread: [Half a Thousand Posts](#)

Raijin - December 4, 2010, 7:29 pm

I was trying really hard to make my 500th post in the Bragging Rights section xD
But I don't know if these posts count, so we'll see.
So yeah 500 posts in less than a year!
Hopefully I can get a thousand before 2012?
?
EDIT: Posts in this section count! This is my 500th post xD
