Thread: [can someone help me get this girls password?](#)

thisisgettinannoyingnow - June 11, 2009, 5:19 pm

shes been talking behind my back and i want to know what shes been saying.

there is a list of sites i want her password off...

hotmail: thisisgettinannoyingnow@hotmail.co.uk

facebook: 'genevieve zofia kon' or 'gen kon'

myspace: thisisgettinannoyingnow@hotmail.co.uk

netlog: thisisgettinannoyingnow@hotmail.co.uk

bebo: thisisgettinannoyingnow@hotmail.co.uk

please can someone help me i tried phishing but i kept getting deleted and i cant find a bruteforcer that works

if someone could help me anyway possible i'd greatly appreciate it! thanks guys

iBruteforce - June 11, 2009, 5:20 pm

I can get bebo and hotmail accounts very easily, no matter who they are. What are you offering?

thisisgettinannoyingnow - June 11, 2009, 5:20 pm

actually if you'd rather pm me thatd be cool

iBruteforce - June 11, 2009, 5:21 pm

Just PM me your email address, we can talk business online ?

thisisgettinannoyingnow - June 11, 2009, 5:22 pm

the satisfaction of helping a girl find inner peace.

sound good? wont let me pm you until i have 5 posts bare with me! ahh i need 5 posts or i cant do anythingggg

iBruteforce - June 11, 2009, 5:24 pm

Haha, no. I wont get satisfaction from that.

thisisgettinannoyingnow - June 11, 2009, 5:25 pm

damn it! got any tips im bloody desperate here!

iBruteforce - June 11, 2009, 5:27 pm

Find some money and pay me, or hope that someone here will do it for free which is highly unlikely.

thisisgettinannoyingnow - June 11, 2009, 5:34 pm

ok i know someone who might be able to help but isnt online ah well if i was rich i could pay
