Thread: [\[Best Tool\] Cyber Terrorist Tool \(Must See\) \[Best Tool\]](#)

poision-v1p3R - December 14, 2010, 10:04 pm

Hi all

2d@y I will show u the Cyber Terrorist Latest tool.

The Tool Name Is: Invisible Secrets 4

[img]http://img208.imageshack.us/img208/8310/ivs4.png[/img]

In This Tool There Are Many features like

- Hide Files
 - Ip to Ip File Secured Password Transfer
 - Sherd Files Or Destroy Internet Traces
 - Locked Applications And Locker Setting
 - Self Decrypting Packages
- And More...

Leave A comment.....

Swifty! - December 14, 2010, 10:20 pm

17 posts. Time for someone to test. Looks sus.

poision-v1p3R - December 14, 2010, 10:22 pm

Test this t00l after tell..

xuhaid - December 14, 2010, 11:01 pm

Can't find the download Link @-)

davie890 - December 14, 2010, 11:06 pm

dude looks hella sick that would be awesome to have

poision-v1p3R - December 14, 2010, 11:06 pm

xuhaid www.invisiblesecrets.com go and download it....

Cod3 - December 14, 2010, 11:10 pm

Shit is stupid. Ip to Ip transfer...wtf? Take away the pictures and this is garbage.

poision-v1p3R - December 14, 2010, 11:15 pm

cod3 Try this tools after tell... IP 2 IP transfering the Secured password. and i was using this tool and it's nice.

richie369 - December 14, 2010, 11:16 pm

did any 1 try this?? reviews plzzzz

poision-v1p3R - December 14, 2010, 11:24 pm

richie i try this tool and it is nice... tool and good option also in it....

Volim te - December 14, 2010, 11:25 pm

W32.Conficker.D Detected!! jk nice tool

Mudkip - December 14, 2010, 11:41 pm

Was already posted before

poision-v1p3R - December 14, 2010, 11:45 pm

zz lol.. i dont know.. it was posted before or not :P

controlpanel - December 15, 2010, 2:03 pm

Shit is stupid. Ip to Ip transfer...wtf? Take away the pictures and this is garbage.

rale - January 5, 2011, 8:22 am

good 4 me (some of these)

poision-v1p3R - January 5, 2011, 9:06 am

ye thanx rale.... message too short
