sorry mate ? but i think I didn't break rules i just need help about how to change ms office key i've key :s

unteagle - December 15, 2010, 9:31 am

Yeah u can post this I suppose cuz your new one is one u purchased legally right? Its very very easy to do. Just google it. Had to do this myself once.

unteagle - December 15, 2010, 11:49 am

btw it should be under file->help->change product key

This methodology applies to all Microsoft Office Suites, In the 2010 version.

Are you sure you have the correct key for the Standard edition?

unteagle - December 16, 2010, 1:45 am

Let us know if u still can't figure it out still.

yes i still need this :(help pls

ninja_nautsi - December 17, 2010, 10:58 am

@ronaldo028 i dont think that you can say that either, but im not sure...

@Pathan125 pm me, i got something better then ronaldo, but i take no credit for making it.

CyB3R PoliCe - December 18, 2010, 6:53 am

Pm'ed You ninja hope u have solution ;)
