Thread: [\[Old Times\]Old Hacking "Effects" \[Old Times\]](#)

MaxPain - December 15, 2010, 11:43 am

Guys i just wondering about my early life! so many think's change! i mean before you can knockout one website with just a ping ! i want to post here the old "Hacking Tutorial" LOL , Its Pretty Basic and Old So Have Fun! ?

We Use Somethink That And Opening About 5~6 Times "To Dos Better xD"

[img]http://files.vsprogramming.com/200325-a120aa219d/cmd4.jpg[/img]

Effect From This Attack:

[img]http://lh4.ggpht.com/_WRlv2yxvgB0/TN_6578d6ql/AABGQ/iRu7OTYAAhQ/TryAgain%5B6%5D.jpg?imgmax=800[/img]

Also We use somethink like that to find ip's and kick them out:

[img]http://www.globalvoicesonline.org/wp-content/uploads/2007/09/feedburnr-tracert.jpg[/img]

And Telnet To Login on a system and try to crack it "LOL"

[img]http://weblogs.asp.net/blogs/owscott/EmailTelnet_6D883FC1.gif[/img]

Have Fun xD ?

The Elite Noob - December 15, 2010, 12:58 pm

This thread is failing, whats the tut? Or what are you trying to say?

Also the BB tags are messed up.

w00tler - December 15, 2010, 8:12 pm

Are the first two pictures missing or is it just my compootar?

dumbas13 - December 16, 2010, 1:24 pm

@w00tler

It`s missing... ;)
