Thread: [Free Download~~ ADVANCED Keylogger~~ With CRACK!! \(The Perfect Keylogger\)](#)

Nirvana9 - December 17, 2010, 6:06 am

Hellow HF!! I have something Good To share Wid You. I just Purchased ADVANCED KEYLOGGER and Want To share With you. Download Link Provided,

What Advanced Keylogger Does?

Advanced Invisible Keylogger is the most powerful stealth spy software offered ToolAnywhere! Advanced Invisible Keylogger runs silently at the lowest level of windows capturing every keystroke typed including usernames and windows log-on passwords. Advanced Invisible Keylogger can also capture active window text, cliboard text and text typed in all popular instant messengers including AOL, YAHOO, ICQ, MSN AND AIM. All Desktop activity will be recorded through Advanced Invisible Keylogger's secret screen capturing utility! Have reports sent to your email address at anytime secretly! Advanced Invisible Keylogger is so stealth and hides so well not even a computer technician with years of experience could detect it running!

Advanced Invisible Keylogger is perfect for monitoring children, employee's, cheating spouses, or for your own personal use to backup all of your work!

Its Screenshot!! (to prove I Purchased)

LOVE YOU SO MUCH!! tHANKS WORKS GREAT BEST KEYLOGGER EVER

D-Squared - March 2, 2011, 2:52 pm

Anyone know if this is legit?

.Astro - March 2, 2011, 2:54 pm

1. Scan that it's not infected.
2. Shitcash links = Referral section
3. Proof of it Working.

I would hope you all understand that this isn't for distribution, meaning you don't send this to people. It is for monitoring your computer.
