Thread: [Christmas HF Banner.](#)

King James - December 18, 2010, 3:00 pm

I made this in case Omni decides to use one :).

Cheers.

Merry Christmas!

Ui Hirasawa - December 18, 2010, 3:01 pm

I think the other one is better.

Infallible - December 18, 2010, 3:02 pm

I think he should use one. It's the 18th now.

Shannon R. - December 18, 2010, 3:03 pm

I like this. It's simple and nice looking. Well done!

Ace Boogie - December 18, 2010, 3:05 pm

That is an astonishing piece of work however, I believe we already have another christmas banner.

Maurice Moss - December 18, 2010, 3:05 pm

It's nice, but I think a "Happy Holidays" would be more appropriate, keep in mind not everyone celebrates Christmas.

alekovo - December 18, 2010, 3:06 pm

Yeah this really look like nice man, I hope Omni choose this banner :D

Omni are said that he lives in america and celebrates Christmas so it being his forum he can do that

Industry - December 18, 2010, 3:09 pm

That looks fucking sweet man. I hope he uses it.

Mike. - December 18, 2010, 3:10 pm

Omni already has one of them from last year.

What does living in America have anything to do with celebrating Christmas? ?

It's omni's forum, so he can put whatever banner he wants, even if it is about Christmas. :)

King James - December 18, 2010, 3:21 pm

Cheers guys! I am assuming the majority here celebrate xmas, or at the very least appreciate the culture. Plus, there was a thanksgivings banner, which even less people here celebrate, but its still nice to have that festive feel! Up to Omni, but I hope he likes it.

Both banners are really good, except you should change the text in the first one from "Merry Christmas" to "Happy Holidays" like it was already said, but the second one is more in the HF style.

ArmyStrongg - December 18, 2010, 3:47 pm

i think the banner should say merry christmas and happy holidays, it talks about probably the most celebrated holiday in the world except new years and then the happy holidays is to everyone

Edit - Just say his post.

My religion teacher hates when people say this.

Jesus was born on the same day for every religion..

+ Christmas isn't even based on Jesus for the most part in a lot of families anymore, it's just a giving time.

Hah no kidding, I read it in a Kevin Mcallister from Home Alone voice, for whoever's seen that. Sorry to be slightly off topic. I agree though, when you go to someone's "house" or forum in this case, you celebrate what they celebrate, I've done it countless times even when I'm not of that belief system.
