Get as many as you want.. just add a letter at the end of your adress.

Example:

Your address is 1591 nice person street

if you want another pack, redo everything but this time, for the shipping address, add B at the end.
1591 nice person Street B

then C for another
etc etc.

DUDE? WHAT THE HELL? YOU POSTED MY DAMN ADDRESS?!

In all seriousness, thanks for the share.
