Click for Clicks

I'm making this thread so people can click on eachother Adf.ly links or Google Adsense. I'll be asking to post your links here. So I'll click your link if you click my Google Adsense link but please let me know if you post a link here. PM when you do and I'll click it and I can give you the info for how to make a legit click for my google adsense.

POST YOUR LINKS ON HERE THEN PM ME!!
